

REMARKS

Upon review of the claims during the preparation of the Appeal Brief, an error in claim terminology was noted. The term "first display window" in claims 3, 5, 9, 11, 15, 17, 21 and 23 does not find antecedent basis in their respective parent claims. By way of this Amendment, this term is being changed to "first display layer", which can be found in each of the independent claims.

It is respectfully submitted that these amendments do not affect the scope of the claims or otherwise raise new issues. Rather, they merely function to correct an informality that was not previously noticed. Entry of the Amendment is submitted to be in order, and is respectfully requested.

Respectfully submitted,
BURNS, DOANE, SWECKER & MATHIS, L.L.P.
